WEEKLY REPUBLICAN—1907.  
DAILY PUBLIC LEDGER—1909.

MAYSVILLE, KY., FRIDAY, APRIL 17, 1903.

ONE COPY—ONE CENT.

**HIS WIFE IS OUT OF TOWN.**  
We see a man with under lip that has a downward droop;  
Upon his face a scowl as if he'd fallen in the soup;  
He roams about the busy streets in an uneasy way,  
And puts a surly accent on the things he has to say.  
He goes into a restaurant and drops into a seat,  
And wonders why they've not a thing fit for a dog to eat;  
And if you care to seek the cause that makes him feel so brown,  
You'll not have far to look; his wife is out of town.  
We see another man dressed up unusually gay;  
He wears a smile of gladness and a button-hole bouquet;  
He joins the crashing parties where the white-topped seducers sail,  
And goes with all the pretty girls who chance to cross his trail.  
At striking of the midnight hour he vet is on the street,  
He struggles in his efforts to control his wabbling feet;  
He wears his hat tipped sideways on his beer-soaked fuddled crown;  
The money knows the cat's away; his wife is out of town.

## THAT'S THE LEDGER.

The Rev. T. DeWitt Talmage says—

"A newspaper whose columns overflow with the advertisements of business men has more influence in attracting attention to and building up a city or town than any other agency that can be employed. People go where there is business. Capital and labor will locate where there is enterprising community. No power on earth is so strong to build up a town as newspapers well patronized, and this power should be appreciated."

## It is Surprising the Amount of Business We Did the Past Six Weeks

Considering the embargo put on Maysville's business during that time. Our sales, however, compared with last year's corresponding time, show such a decrease that it will require heroic treatment to restore our 1903 spring business to its normal volume. **How to Ward Off an Attack of Rheumatism.**

"For years when springtime came on and I went into gardening, I was sure to have an attack of rheumatism and every attack was more severe than the preceding one," says Jose McDougal, of Man, Logan county, W. Va. "I tried everything with no relief whatever, until I procured a bottle of Chamberlain's Pain Balm, and the first application gave me ease, and before the first bottle was used I felt like a new person. Now I feel that I am cured, but I always keep a bottle of Chamberlain's Pain Balm in the house, and when I feel any symptoms of a return I soon drive it away with one or two applications of this liniment." **\$100—Reward—\$100.**

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CENEY & CO., Toledo, O. Sold by Druggists, 75c. Hall's Family Pills are the best.

## BARKLEY'S CASH SHOE CO.

## THE BEE HIVE! A SATISFACTORY SHOE STORE

A busy one because it deserves to be busy. Language has its limitations, which may account for lovers giving it up and merely holding hands. It isn't easy to make the plain facts of our shoe business stand out without seeming to "knock" at other shoe businesses. Yet, why should we? Maysville was shoe happy even before this store started. We had to do better things, else no shoe business could have been won. WE DID—and today for COMFORT, WEAR and STYLE we have the most satisfactory shoe store in Maysville.

We guarantee every pair and take much pleasure in fitting you, and you know "It is a feat to fit feet." OXFORDS, SANDALS and SHOES—for the Miss, Maid and the Mother.

## FOR WOMEN

Much That Every Woman Desires to Know

About Sanative Antiseptic Cleansing

And About Curing Ulcerative Pains and Weaknesses.

Too much stress cannot be placed on the great value of Cuticura Soap, Ointment and Pills in the antiseptic cleansing of the mucous surfaces and of the blood and circulating fluids, thus affording pure, sweet and economical local and constitutional treatment for weakening discharges, ulcerations, inflammations, itchings, irritations, relaxations, displacements, pains and irregularities peculiar to females. Hence the Cuticura remedies have a wonderful influence in restoring health, strength and beauty to weary women, who have been prematurely aged and invigorated by these distressing ailments, as well as such sympathetic afflictions as eczema, chlorosis, hysteria, nervousness and debility.

Women from the very first have fully appreciated the purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy which have made the Cuticura Soap, Ointment and Pills the standard skin cures and humor remedies of the civilized world.

Millions of the world's best people use Cuticura Soap, assisted by Cuticura Ointment, for preserving, purifying and beautifying the skin, for cleansing the scalp of crusts, scales and dandruff, and the stopping of falling hair, for softening, whitening and soothing red, rough and sore hands, in the form of baths for annoying irritations, inflammations and ulcerative weaknesses, and for many sanative, antiseptic purposes which readily suggest themselves, as well as for all the purposes of the toilet, bath and nursery.

J. Jas. Wood & Son Warrant Every Bottle.

If troubled with rheumatism give Chamberlain's Pain Balm a trial. It will not cost you a cent if it does no good. One application will relieve the pain. It also cures sprains and bruises in one-half the time required by any other treatment. Cuts, burns, frostbites, quinsy, pains in the side and chest, glandular and other swellings are quickly cured by applying it. Every bottle warranted. Price 25 and 50 cents. For sale by J. Jas. Wood & Son, Druggists.

There were seventy additions during the protracted meeting which Rev. J. J. Haley just closed in the Christian Church at Hopkinsville.

### A CITIZEN DISCUSSES.

A Vital Question Fraught With Interest to Maysville People.

When a citizen right here at home makes a public statement like the following all room for doubt disappears and the most skeptical must be convinced. It's pretty hard for our readers to prove a statement made by a stranger living in some far-away point of the Union. The indorsement of neighbors, friends and citizens is the best of proof; no better evidence can be had.

Mr. P. Gantley, grocer of 311 East Fourth street, says:

"The prompt and thorough relief from backache given by Doan's Kidney Pills is the strongest indorsement possible. When backache is caused by the lack of proper action of the kidneys the only reason for continuing to suffer is the want of knowledge of Doan's Kidney Pills. I procured them at J. Jas. Wood & Son's Druggery, West Second and Market streets."

## River News

The Tacoma will be up tonight for Pomeroy.

The Bonanza from Pomeroy will pass down tonight.

Towboats are rushing up the river with empty.

The Queen City will pass down tonight from Pittsburgh.

The river is rising here. There was a light drift running yesterday.

The rain of the past few days at Pittsburgh has caused the rivers to rise once more, to the sorrow of the rivermen, for at present there is little coal in the harbor to be shipped, and therefore the water cannot be used to good advantage.

The Bonanza resumed her place in the Pomeroy trade Wednesday. She has been on the ways at Madison, Ind., undergoing a thorough overhauling in anticipation of the coming season's passenger trade. The Indiana, which has been running in the Bonanza's place, will go to the bank temporarily.

Courier-Journal—"Speaking of large cargoes," remarked a riverman yesterday, "reminds me of the old Jim Howard of the Anchor Line. She used to ply between Memphis and New Orleans away back in the '70s. James O'Neil was her Captain. That boat carried a cargo of 2,450 oil kegs, 2,200 barrels of oil, 6,700 bales of cotton and 7,000 bales of cottonseed. That is an enormous load, isn't it? Yes. Well, she was an enormous boat and was probably the largest freight vessel that ever ran on the river."

## WEAK LUNGS

Weak lungs are mostly due to a neglected cough. Only a small percent of the millions who have consumption inherit it. A slight cold, a tickling or hacking cough is the beginning, and after it has reached a certain advanced stage there is no ending except the grave.

Any case of consumption that is curable; that is, any one having consumption whose family or friends still hold on to a ray of hope, may take comfort in the knowledge of the fact that One Minute Cough Cure will give instant relief and finally cure.

This famous remedy does not pass immediately into the stomach, but lingers long in the throat, chest and lungs, producing the following results:

- (1) Relieves the cough.
- (2) Makes the breathing easy.
- (3) Cuts out the phlegm.
- (4) Draws out the inflammation.
- (5) Kills the germs (microbes) of disease.
- (6) Strengthens the mucous membranes.
- (7) Clears the head.
- (8) Relieves the feverish conditions.
- (9) Removes every cause of the cough and the strain on the lungs.
- (10) Enables the lungs to contribute pure life-giving and life-sustaining oxygen to the blood. Cures Croup and all Cough, Lung and Bronchial Affections.

### CONSUMPTION CURED.

"My physician told me one year ago that I would die of consumption inside of a year. I commenced taking One Minute Cough Cure for my lung trouble and it cured me. I have gained 20 pounds and I am a pretty live, 'dead' woman." One Minute Cough Cure saved me." Mary F. ELLIOTT, Grand Rapids, Mich.

Pleasant to the taste. Good for Children. Good for every body. For Coughs, Colds, Croup, Whooping-Cough, Bronchitis, Asthma, Pneumonia and all Throat and Lung troubles no remedy is so good as

## YOUTSEY'S STORY!

Convict Tells of His Share in the Killing of Goebel.

Convict Henry Youtsey, serving a life term for complicity in the killing of Goebel, was on the stand yesterday in the Howard trial, and said—

"I first saw Jim Howard on January 30, 1900, a few minutes before 11 o'clock. He rapped on the door of my office and presented a letter, which I had addressed to him several days before at the instance of Governor Taylor. I shook hands with him and asked him if he wanted to see Taylor. He answered that he didn't want to see anyone. I took him to the private doorway of the Secretary of State's office. Leaving him in the hallway, I went into the Secretary of State's general room, and from there into the private office.

"There I closed the door, pulled down the window blinds, raised the corner window, and then let Howard into the room through the private doorway. I showed him a Marlin rifle and a Winchester, and explained to him that I knew the Marlin, and that it would shoot a steel ball through 15 inches of wood. Howard sat down and examined the rifle. While he was doing this I fixed the lower window that was open and placed some books there. Howard here asked what he was going to get. I asked what he wanted, and he said a pardon for the 'blowing over' of old George Baker. I told him he would get more than that. He said, 'That's all I want.' He went to the window and looked out and took aim out of the window. I came up to the window and saw Goebel just in front of the Capitol grounds shaking hands. 'Here he comes,' I said to Howard. 'Is that him?' asked Howard. 'I know him,' I turned and left the room just as he laid out a big pistol on the window ledge. I went down the basement steps, and as I got half way down I heard the rifle crack. I became panic-stricken and ran through the basement. As I ran my pistol became loosened from a suspender buckle and fell in my trousers leg.

"Governor Taylor," said Youtsey, "directed everything we did. We regarded him as our leader, and he was morally responsible for all we did. We knew we had the Governor and the pardoning power behind us, and we were not afraid of punishment for killing Goebel."

## GOODBYE TO BOOKS!

One of the Graduating Class of High School Commits Matrimony.

Miss Ida Willis, the nineteen-year-old daughter of the Rev. V. T. Willis of Selden's Chapel, and who was to have been one of the graduating class from the Maysville High School this year, went to books at the usual hour yesterday morning.

Some time between the beginning and the end of Chapel exercises Miss Willis became lost in the shuffle, and it was not until the noon hour that her absence was accounted for.

Mr. Hendrick M. Means, aged 24, a brother of Major W. H. Means of this city, who resides at the ancestral home near Tollesboro, had for some time advised his intimates that he would be married in the spring.

It may be that the untoward weather gave him the impression that spring was too long in coming, so he concluded that he would not put the matter off any longer.

At all events, Mr. Means and Miss Willis left the city yesterday, and the general impression is that West Union was their Mecca.

Rev. Willis and family were last year located at Tollesboro, where Mr. Means became acquainted with Miss Willis.

Important  
Announcement  
of the  
Maysville  
Gas Company.

Per Thousand  
Under 2,000 cubic feet and under  
3,000 cubic feet ..... \$1.50  
3,000 cubic feet and over ..... \$1.25  
over ..... \$1.00

At a meeting of the Board of Directors of the Maysville Gas Company March 20th, 1903, it was ordered, that on and after the 1st day of April, 1903, the above sliding scale price of gas for all purposes, fuel and illuminating, should go into effect for private consumption.

All rates and discounts heretofore made are abolished. (This action was taken not to appear arbitrary, nor with the idea that the accounts of the consumers were not perfectly good any time during the month, or a year later for that matter, but for the good of all concerned and in order that this part of the business of the Company might be taken up at a specified time during the month and disposed of, and further in order that the time and thought of the Company's Agents and employees were not largely occupied with the work of collecting, night, for the balance of the month, be directed towards giving consumers of gas better and more efficient supply and service.)

It was further ordered, that beginning the first of May, and for each and every month thereafter, the monthly statement of account of each consumer should be delivered to said consumer by an Agent of the Company on the first day of the month, or second day if the first occurs on Sunday, and that said account shall thereafter be due and payable at the office of the Company on Court Street within five days, and if not so paid gas will be promptly shut off.

The Gas Company further announces that after the first day of April they will handle and sell at cost price to gas consumers any of the great variety of Gas Stoves and Ranges shown in the catalogue of the Detroit Stove Works, which price will be equivalent to that discount from the list price in said catalogue. Said stoves will be sold for cash only, or according to the terms of a printed lease, whereby easy payments are extended over a period of four twelve to seventeen months. For instance: Take a gas range listed in catalogue at \$28; the Gas Company will sell this range to consumer for \$13 cash, or for \$2.80 cash at signing of lease and one per month for seventeen months, at the expiration of which time the range is sole property of consumer.

The Company has selected to handle the Detroit Jewel Gas Range on account of its known reputation for durability and economy in its consumption of gas. The Gas Company will also handle at cost the fixtures and mantels of the Webster Company in all of their many attractive varieties. Before closing this announcement the Gas Company wishes to publicly express its appreciation of the eminently fair, just and courteous treatment accorded them by His Honor, the Mayor, and Board of Council, particularly the Chairman and members of the Gas Committee, through whose efforts in behalf of the private consumers the above concessions in the price of gas are now made.

With the assurance to the citizens of Maysville that it will be the earnest effort of the Company and its Agents to give you the very best service at the very least cost, we beg to remain, very respectfully,

MAYSVILLE GAS COMPANY.

P. S.—On and after the 1st of April the Gas Company will have on exhibition at the plumbing establishment of Mr. Larry Langefels samples of the Detroit Jewel Gas Ranges, to the inspection of which those interested are cordially invited. You can leave your order for a range with any representative of the Gas Company, Mr. Langefels or your regular plumber, with either of the latter of whom you will have to make arrangements for connecting and fitting up range for use in case you place your order.

## After Sickness

**Take Vinol—Our Great  
Strength Creator.**

**IT GIVES ONE A SPLENDID  
APPETITE.**

**AND QUICKLY REBUILDS  
THE SYSTEM.**

**We Will Refund the Price of  
Vinol if It Fails.**

The worst part of sickness, frequent-  
ly, is getting over it.

The patient's strength is depleted,  
his system is generally demoralized,  
relapses are continually feared, and  
naturally.

The one thing to aid recovery is to  
give the patient that which will enable  
him to get strong, and at the same time  
give strength direct to the different  
organs of the body.

Nothing will do this like Vinol.  
It acts directly on the stomach, cre-  
ates a healthy appetite, and enables  
the digestive organs to obtain the nec-  
essary elements to increase the weight  
of the patient and to make new healthy  
flesh and muscle tissue and pure, rich,  
red blood.

The following is a letter showing  
where Vinol was taken and did good  
after a case of sickness. It reads as  
follows:

"I wish to certify to the very great  
benefit which has been derived from  
the use of Vinol in my family. My  
wife was very sick with the grippe and  
afterward was wholly run down. One  
bottle of Vinol places her on her feet  
in better condition than she had been  
before in six months. I heartily recom-  
mend and endorse it."—HENRY F.  
STURTEVANT, 81 Huntington St., Brock-  
ton, Mass.

Everything that is in Vinol is  
plainly printed on the label of  
each package.

We know Vinol is a splendid  
preparation, and in many cases  
we have been able to see for our-  
selves the wonderful results it  
brings about.

Remember that we guarantee  
Vinol and refund the purchase  
money if you are not satisfied.

# CLOTHING TALK! s s s s s

There is something about the Hart, Schaffner & Marx Clothing by  
which you may identify them even more certainly than the label. It goes  
into them before the label. It is a style, a quality, a tailored-by-hand touch  
to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about  
them never found in other clothing. The fact that we can't define it doesn't  
make it any less real. You can see it without fully realizing what it is. We  
can't show it or tell you fully about it until you wear the clothes. Then we  
won't need to. This incomparable line is for men and confined to us.

But we have provided as well for the boys and children. We invite in-  
spection and comparison of both goods and prices.

OUR MERCHANT TAILORING DEPARTMENT, under the supervi-  
sion of Mr. Charles F. McNamara, is the only one in the city paying Union  
prices and having all work done at home. Ask to see one of our made-to-  
measure Suits. You can get them cheaper elsewhere, but not like ours.

Let us show you our new Shirts, new Hats, new Neckwear, etc., etc.

# Dan Cohen's Wonderful Shoe Business

Has been the surprise of all the shoe dealers in Cincinnati. Goods bought  
in carload lots for spot cash by buyers of long experience and good judg-  
ment is the reason we can sell GOOD GOODS for LESS MONEY THAN OTHER PEOPLE.
